

Sudoku

112

All you have to do is fill in all the squares so that each row, each column and each of the 3 x 3 squares contains all the digits from one to nine

4	5							
							2	
			2		7	9		5
	4	1	8	3				2
			7		2			
3				4	1	6	7	
1		7	3		9			
	8							
							6	1
